Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS:

I am unable to get my compounded
prescription from a local pharmacy.
This prescription relieves my symptoms
and lets me get through the month
like a "normal" person - Please don't
allow this to be taken away
